

So the thing I thought about is a tradition in my hometown in during the Chinese New Year. So actually, I kind of live in a rural part of Shanghai, well in the sense that it takes about two-hour drive to the city, so but it's not really that far away from the city center.

我想到的家鄉傳統就是春節。實際上，我住在上海郊區，從某種意義上說，到市中心大約需要兩個小時的車程，所以也沒有那麼遠。

So my grandparents, my grandma, my grandma she, well, she is she is a farmer mainly. She also has some other job, but mainly she works as a farmer, so we have kind of a lot of land with us. And so during the Chinese New Year, on the first day of the Chinese New Year, there's kind of a tradition within our village or nearby that we would go to our land because that time is winter, so there's no crops there, but there are many grass.

我的祖父母都是農民，雖然祖母還有其他工作，但主要以務農為主。所以我們有很多土地。在我們村里過年的第一天，我們都會去田裡，冬天地裡沒有莊稼，只有許多草。

So we would go there in the morning and we would use use the fire to burn all the grass to kind of start a new year. Well, that was still cold, so we won't really start planting at that time, but it's kind of a symbol that what's from the past is done, and we hope we can have a better get more food for this coming year.

因此，早上我們會去田裡用火燒掉所有的草以作為新的一年的開始，象徵著過去的事情已經過去了，我們希望來年能有更好地收穫。

And like in the afternoon after that, so we would always go out to a public bathroom to take a shower. So I think for most of the time there aren't many people there but like on the first day of the Chinese New Year, it's really crowded there.

當天下午，我們會去公共浴室洗澡。我想平常那里人肯定不多，但大年初一，那裡面真的很擁擠。

I think everyone in our village will go there to take a shower, and it's also more or less the similar so that we can wash away the things from the past year and beginning a brand new year.

我想那天我們村里差不多所有人都會去那裡洗個澡，這樣我們就可以洗掉過去一年的壞運氣，以開始新的一年。
