

I was a member of the camp, it's conducted in Sichuan Province. And there are a lot of minorities there. There is a main minorities named Yi and they have a main holiday. It's called Torch Festival.

一年夏令營我們去了四川，那裡有很多少數民族。其中有一個民族叫彝族，而他們最主要的一個節日是火把節。

Because they think fire is very... They worship fire. It's on the six months, one day, 24th or 25th in the six months in their calendar. And on that festival, they will dance and sing around the fire all night long. They were all their family, all the lights on.

因為他們認為火是非常... 他們崇拜火。火把節是每年第六個月中的第 24 天或 25 天。節日當天，人們會整夜圍著火堆唱歌跳舞，所有人家都會亮著燈。

And the government will also sponsor more official celebration of the festival. They will hold horse racing, and wrestling, or dance show, and a beauty contest. All the girls will dress up and wear a lot of silver and gold to try to compete, to be the most beautiful woman there. I also took part in and just danced around the fire to midnight. It's Torch festival.

而政府也會官方節日的慶祝活動提供很多贊助。當地人會舉行賽馬、摔跤、舞蹈表演和選美比賽。所有女孩兒都會盛裝打扮，佩戴大量金銀首飾，成為彝族最美麗的女人。我也會圍著火堆跳舞一直到跳到午夜。這就是火炬節。
