## RESEARCH, talks and WORKSHOPS

Professor Jette Hansen Edwards has published 'Sounding Native: Rating Speakers of English from Asia' in Asian Englishes. It is available online at <https://www.tandfonline.com/doi/full/10.1080/13488678.2018.1464093>.

Professor Julian Lamb gave lectures at Shenzhen University on 13 and 20 April on the subject of "Drama and Determinants." The lectures discussed plays by Eugene O'Neill, Arthur Miller, Samuel Beckett, and Harold Pinter. Professor Lamb also gave a workshop on Macbeth at the HKCCCU Logos Academy on 26 April where our former student, Pierre Lien, teaches.
