### CONGRATULATIONS, CLASS OF 2018!

You looked smart in your cap and gown, fabulous in your evening dresses, and spirited and united when you did one last dem-beat on stage. It has been a pleasure having you with us for four years, class of 2018. The world is your oyster now. All the best!

A special thank-you goes to the English Society and our office staff for organizing the Photo Day and the Graduation Feast.
