E-News No. 1/2022-23

Message from the Head

For our new students and teachers: Welcome to the Department of English at CUHK. I am extremely pleased that you have chosen to join us at ENGE@CUHK and I hope to have an opportunity to meet all of you in person over the next few weeks.

For our returning students, teachers, and staff: I hope you had a restful summer and the opportunity to spend time with family and friends. I look forward to seeing all of you again.

I am hopeful that we can continue with in-person classes for the 2022-2023 academic year and that we can again hold some of our Departmental events, including the Andrew Parkin Cup, research talks, and non-academic social activities. Our weekly e-News, which you will receive via email every Friday during the teaching term, will highlight upcoming Department events as well as scholarship and internship opportunities, among other things. The e-News is the best resource for upcoming events, deadlines, and opportunities so do please read it :).

As you walk through the Department or look at our website, you may have noticed several new names. Four new faculty members have joined the Department this year; you can find out more about their research on their individual webpages.

Prof. Wilkinson Daniel Wong Gonzales ([webpage](#))

Prof. Haerim Hwang ([webpage](#))

Prof. Joanna Mansbridge ([webpage](#))

Prof. Collier Nogues ([webpage](#))

We are also fortunate to be joined by two new Yale-China tutors:

As always, please feel free to reach out to me if you have any questions.

All the best for a successful academic year,

Prof. Jette G. Hansen Edwards
