## E-NEWS NO. 36 / 2023-24

### Research Grants

Professor Jookyoung Jung won the General Research Fund Grant 2024/25 as Principal Investigator for her research project “The pedagogical potential of text-audio synchronized enhancement in incidental collocational learning from reading-while-listening”.

Professor Eli Park Sorensen won the General Research Fund Grant 2024/25 as Principal Investigator for his research project “Brothers Home and the Production of Vanished Lives”.

Professor Eddie Tay won the General Research Fund Grant 2024/25 as Principal Investigator for his research project “Street Photography and Creative Writing as Method”.

Congratulations to the professors on their achievements!

### Student Achievements

Our PhD student MA Qianyi Iris received Zhilan Scholarship for the Study of Chinese Culture 2023-24 (Award: HK\$50,000). Congratulations, Iris!

### Research and Publications

The Lannang Symposium 2024, co-organized by our Department and the University of the Philippines Diliman Department of Linguistics, was successfully held on 10-12 July. Prof. Wilkinson Gonzales, Convener of the Symposium, gave a theme presentation titled ‘Navigating the Lannang Limbo: The sociolinguistic construction and development of ‘Chinese’ and Lannang identities’ at the event.
