Research and Publications

Prof. Jette Hansen Edwards co-authored (with M. Zampini) “The impact of audio vs. audiovisual stimuli with or without face masking on judgments about different varieties of Asian English” in *World Englishes*. It is open access at: <https://doi.org/10.1111/weng.12734>

Prof. Hansen Edwards has also published four chapters in *The Wiley Blackwell Encyclopedia of World Englishes* (March 11, 2025):

Copula Deletion in World Englishes
Speech Analysis Software for World Englishes
Speech Transcription in World Englishes
TH-Stopping in World Englishes
