## Research and Publications

Prof. Carmen Lee presented her paper, "*Memetic Aggression and Platform Subculture: Analyzing Aggressive Discourse on LIHKG*", at the 5th Approaches to Digital Discourse Analysis (ADDA) conference, held in Tilburg, the Netherlands, from 21 to 23 May 2025. At the conference, Prof. Lee also co-led a workshop titled "*Publishing in Discourse, Context & Media*", sponsored by Elsevier. The session introduced the journal and provided practical guidance for prospective authors on manuscript preparation and the publication process.
