ELTU PEER TUTORING SCHEME (2025-2026)

This scheme aims to provide informal opportunities for CUHK undergraduates and postgraduates to seek guidance from trained Peer Tutors on various aspects of using English language. We believe this initiative will enhance students' English language proficiency and empower them to achieve academic and professional goals.

In Term 1, the peer-tutoring service will be available from 22 September 2025 (Monday) to 28 November 2025 (Friday). Tutoring sessions of three modes (i.e., face-to-face, Zoom, and online feedback sessions) are now available for reservation.
